Super Worm

Superworm, by Julia Donaldson was our super book of the last few weeks. We made superworm comics, super diaries as well as going on some Superworm adventures. We love this book and can't wait for our World Book Day theme to be all about Julia Donaldson.

Art Week

At the end of last half term Year 1 studied Roy Litchenstein who is a pop artist. We had someone who was just like him come to visit us and tell us all about his life. We used onomatopoeias in our comic writing and recreated his

art work which you can see on our wall in our classroom.

During Art week, Starfish class learned about Islamic art. We discovered that Islamic art often contains repeating patterns and had a go at making our own. We soon realised that it's a lot harder to make 2D shapes fit together than you might think!

Police Man

This week we had two constables in from the local police. They taught us all about how they are good strangers and we can approach them - but we must see their uniform and ask them for their badge. They told us all the things they have to deal with in a day. We got to try on their hats and jackets! We think they are the best real-life superheroes.

Daisy, Doris & Tiny

Starfish class has some new members! This week we welcomed Daisy, Doris and Tiny the cows. The children have been busy milking our new friends and we have been learning about how milk is sent from the farm to a dairy, where butter, cheese and

Speaking to Teachers

We realise that it is not always possible for you to speak to your child's teacher as regularly as you may wish, or to make contact during school hours. However we ask that if you do wish to speak to them, then please do so after school rather than the mornings or call the office on 02087248788, where you can arrange a meeting to be set up.

Correct Uniform

Can we please remind parents that children are **not** allowed to wear trainers or boots to school. Black school shoes must be worn.

Appointments

Can we please remind all parents that routine appointments for Drs or Dentists need to be arranged for out of school times.

Hospital appointments are often unavoidable but routine appointments should be made for after school.

End of Day

Can you please remember to collect your children **on time**. Especially if they have attended an after school club. If you are going to be late can you please call the office on 0208 724 8788.
