Welcome Back

Welcome back to another exciting year at Riverside Primary, happy 2017

everybody! I hope you all had wonderful breaks and enjoyed seeing in the New Year with family and friends. 2017 promises to be another busy year at Riverside Primary with lots of engaging learning in store, along with many educational trips and visits to support your child's learning.

A warm welcome to Susannah Walsh our new reception teacher who has settled in nicely.

Homework Challenge

Well done to Georgia in Reception and Nathan in Year 1 for winning the Homework Challenge.

Traction Man

Traction Man to the rescue...

This week (3rd January) we have been reading Traction Man stories, we were even lucky enough to have the superhero come into our class! During his time in class he was called away on an urgent mission to save Fred the frog who had been frog napped by the evil French chef Sabine! Kingfisher Class helped Traction Man to save the day. The evil Sabine was put into jail. We then made this into a story and used fantastic sentence writing skills and vocabulary to re-tell the adventure.

Road Safety

Penny from Community Safety (LBBDD) come in to show the children in reception and year one how to be safe on our roads.

Super Hero Day

Pupils we have been solving mystery maths puzzles with their superhero powers; dazzling us with their superhero dancing skills and moves; wowing us with their phantom phonic knowledge; designing their own superhero clock and finding their way through a maze of laser beams to save the princess from disaster.

Princess and Dragon

We have been reading Princess Mirror-Belle and the Dragon Pox. Ellen is a very inquisitive girl who likes asking lots of questions. One eventful morning, not only does she discover that she is covered in itchy red spots, but then a strange Princess emerges from the bathroom mirror claiming that the spots are dragon pox! Princess Mirror-Belle has some unusual ideas about how to get rid of the dragon pox...

Zigzag lines

The approach to, and exit from, a pedestrian crossing is marked with **zigzag lines**.

It also means that **you** must **not** park on them or overtake when approaching the crossing.

Parking here would block the view for pedestrians and the approaching traffic. Therefore can we ask parents not to park on the zigzag lines outside the school.

Correct Uniform

Can we please remind parents that children are not allowed to wear trainers or boots to school. Black school shoes must be worn.

Appointments

Can we please remind all parents that routine appointments for Drs or Dentists need to be arranged for out of school times.

Hospital appointments are often unavoidable but routine appointments should be made for after school.

End of Day

Can you please remember to collect your children **on time**. Especially if they have attended an after school club. If you are going to be late can you please call the office on 0208 724 8788.
